

Safe space PE list

Year 6

Hi team, here is a list of the lessons that you can find via the lesson plans tab that will give you ideas for delivery of 'safe space' PE. Please see the comments for how they will need to be adapted. As always, please do what you feel is safe and best practice for you and the children in your care.

We have included lessons that use some equipment but avoided activities where children share equipment. Please adhere to government guidelines and your school policy for this.
